SPOT

I'm the sun in the yellow, the sea in the blue and the sky in the light-blue; I'm fire in the red... and I turn red when I get excited! I'm a bright street; I'm a feast. Oh... I'm dark! And you can't see me anymore! But you can listen to me breathe... I don't speak, but I open and close my eyes. I have no feet, no hands and no legs, but I can follow you while you walk... I am Spot and I tell stories.

Spot is a very particular stage light. Its light shines and expresses itself by drawing shapes and colours on the floor.

With this production, the research on light started with Under a different light and On-off continues.

(1 - 4 years)

Minimum space required: width 6 m x depth 6 m
Room to be completely darkened
Two 220 Volts sockets | Electrical load 3 kw
The show can be performed in schools
